Details of parts enclosed

Description	Quantity	Make & any part numbers
Fuel Injector	4	Delphi R01601Z

Details of vehicle parts are from

Make	Model	Engine	Year
Ford	Focus	1.8 TDCI	2002

Problems experienced (please give as much detail, history as possible)

Engine difficult to start, particularly when hot.

Problem is gradually getting worse.

Engine also has lumpy idle.

Work required & any prices quoted

Test injectors only & report with findings.

IMPORTANT

Please ensure parts are fully drained of fuel and are then sealed in polythene bags to prevent any leakage of remaining fuel.

Pack in a strong box with plenty of packaging to prevent any damage occurring in transit.
